2021

A photograph of a family of three in a mountain landscape. A man in a black jacket and a woman in a blue jacket carrying a child on her shoulders are standing in a field of yellow wildflowers. A red van is parked on a path behind them. In the background, there is a small white chapel with a dark roof and a bell tower, surrounded by evergreen trees and a grassy hillside.

**Travel around the world  
365 days a year**

## Welcome to Roadcar – the road revolutionized.

**With the ROADCAR, a competitively priced box van is entering the scene:** Made in Germany, equipped with everything needed to make travelling a comfortable experience, built using the decades of know-how of the Pössl company, with superlative standards of quality to make every dream come true. All made possible by a box van style motorhome available at ground-breaking cost-effective prices – so jump in if you want to get out!

# An urban round-about and country cottage combined – for ultimate freedom to travel!

Heading back to your place, or being one with the world – this economic compact motorhome can carry everything you need on the go: agility, safety and a car-like driving experience on the road. And all totally equipped to make the day of everyone who wants to get out and travel. See for yourself, this travel solution that truly knows no boundaries – all at a sensationally good price!

## The best in a nutshell

## One for all

## The compact family cruiser

**Loves spaciousness**

[illegible]

\* Weight specification with equipment included as standard. With Fiat, 160 HP and over + 15 kg. The mass in running order and load capacity may change with the inclusion of optional extras.

Important details on calculating weight is provided on the back cover.

# Roadcar R 540

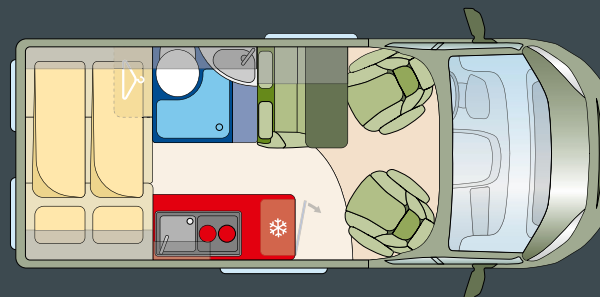

Compact dimensions and a great deal of (parking) space. And with the level of driving comfort of a car – but much better equipped. For you'll always have a wash-room, kitchen and living room right there with you. And with a continuous loading space right through to the driver's cabin, all the models can easily carry your very longest items.

1 2

3

- 1 Cosy lounge area with a mere turn of the seats.
- 2 Always there for you: your very own motorway rest area.
- 3 Incredible: There's even a bathroom!
- 4 Drive-in restaurant.
- 5 Tabletop alternative (optional).

# Roadcar R 600

The Roadcar mid-range class boasts top class equipment: large-sized work surfaces in the kitchen, cosy lounge suite area, and spacious cupboards for all your cooking utensils. And the double bed also offers even more space – for king-sized dreams!

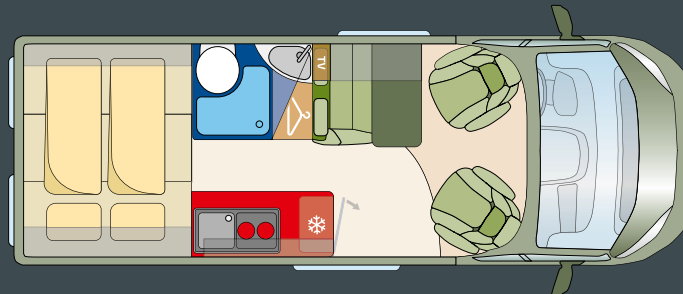

1

2

3

- 1 Seating area for companionable gatherings around the table.
- 2 Great big bed for great big dreams.
- 3 And always onboard: the practical shower room.
- 4 A place to cook up great food – and a great atmosphere.
- 5 Tabletop alternative (optional).

4

# Roadcar R 601

Compact on the road — plenty of room for the family. With its four comfortable beds counting the bunk beds, the R 601 offers lots of room for the family on tour. Or if there's fewer passengers, simply remove the lower bunk and make space for stowing your bikes.

1 2

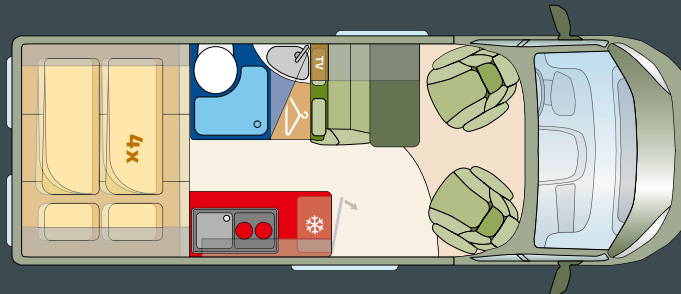

- 1 And the Roadcar is instantly transformed into a workhorse.
- 2 Two double beds as standard.
- 3 And always onboard: the practical shower room.
- 4 A place to cook up great food — and a great atmosphere.
- 5 Tabletop alternative (optional).

4

3

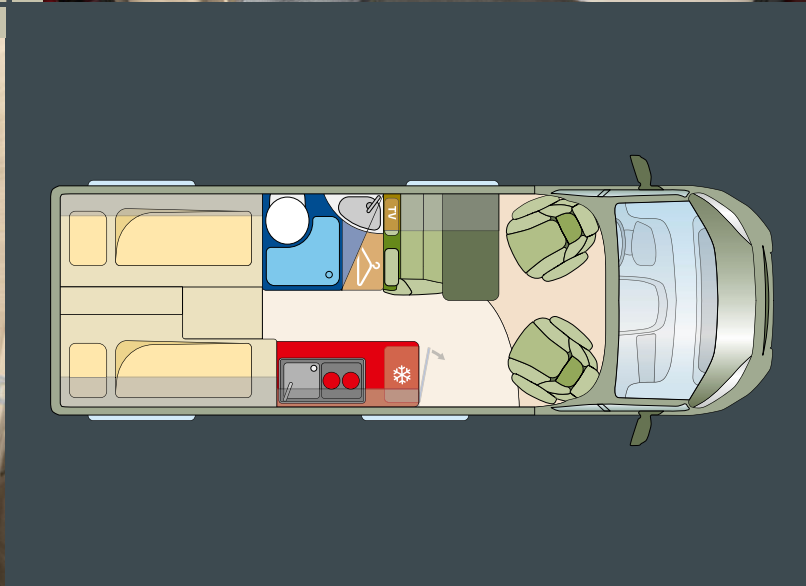

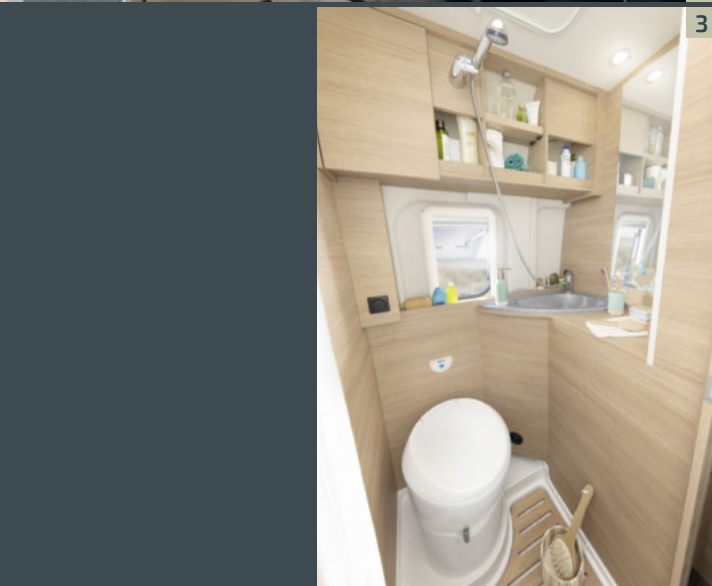

# Roadcar R 640

Genuine big leaguer: The 640 is our compact motor-home writ large. It comes with two extra large single beds positioned lengthwise. So, everyone gets up when they want, and not because someone else has to.

- 1 Meals on wheels.
- 2 Long overdue: single beds positioned lengthwise.
- 3 And, of course, with practical shower room.
- 4 2-burner hob with piezo igniter.
- 5 Tabletop alternative (optional).

**There are many ways to  
escape the daily routine.  
This is the nicest.**

# With a Roadcar there's no extras. Only highlights\*.

To ensure we could offer the Roadcar at an extremely fair price, we only had to cut out one thing: the frills. But this means that all our models are truly equipped with all the essentials. After all, nothing should stand in the way of that feeling of boundless freedom – including the travel budget!

\*sometimes layout dependent

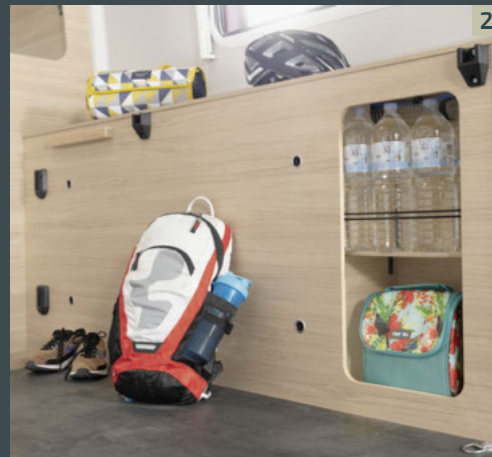

**Bottom compartments** 1  
Every space completely utilised.

**Storage unit in the rear** 2  
Everything stored in its place, yet close to hand.

**Storage compartment under bed** 3  
So you can even store bulky items inside overnight.

**Closet and laundry unit** 4  
For crease-free travel and look.

**Rear end storage unit** 5  
What's going on back there? Nothings:  
Everything has its place in the practical storage compartment.

Shower insert board (optional)

**Additional board** (optional)  
Transforms the seating area into a third bed.

**For kitchen chefs with  
an urge for freedom.**

1

**1 2-burner hob with piezo igniter**  
sparkle before the cooking even commences.

**2 Powerful compressor fridge**  
Uses little electricity and can be powered by onboard battery or with 220 V socket – cool!

**3 Kitchen with copious storage space for all your utensils**  
Everything has its place.

**4 Large-sized kitchen work surfaces**  
Making cooking on holiday great fun.

**ISOFIX**

**Isofix for additional safety**  
Optionally available on all models.

2

3

4

# Dream equipment standards for dream journeys.

## Storage concept

Uniquely flexible storage space with removable bulkhead, opening up a continuous storage area through to driver's cabin.

## 1 Technical centre

All under control: anti-freeze protection, fuses and gas cut-off valve are centrally accessible.

## 2 Fly screen (Basic package)

Insects can all buzz off.

## 3 Control panel

The nerve centre for the onboard electronics.

## 4 Gas cylinder storage unit

With space for two 11 kg bottles  
(Roadcar 601 2 x 5 kg) – Enough to last weeks.

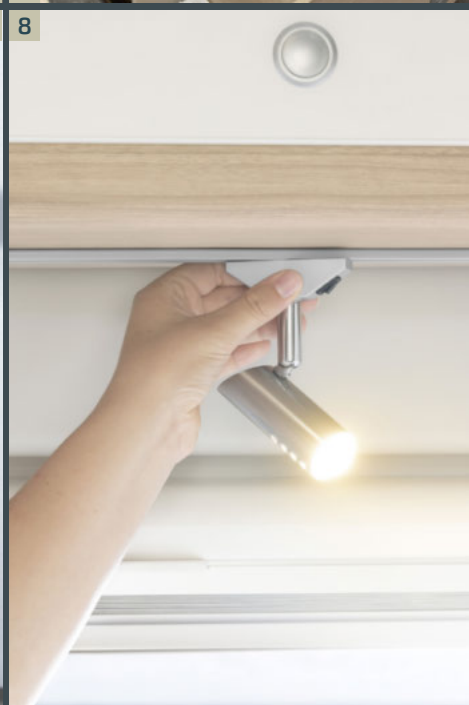

5

6

7

8

9

**5 110l Freshwater tank**  
Easy access, just drain and clean.

**6 Truma central heating**  
To ward off the cold nights, or a quick rewarming break during a skiing trip. With heating outlet in the sleeping and seating areas.

**7 Removable Porta Potti**  
The portable toilet from Thetford features a magnetic holder for the lid, and is easily accessible and comfortable to use.

**8 LED spots Adjustable**  
LED spotlights when enlightenment is called for. Detachable for full flexibility.

**9 Additional storage space for all sorts**  
Everything has its place and is securely stored away.

Technical modifications and errors excepted. Please note that illustrations in this brochure may contain decorations, alternative designs or optional extras that are not included in the scope of delivery or for which additional costs may be incurred. All dimensions in centimetres, unless otherwise indicated. Minor deviations in colour may be a result of the printing process. Prices include the currently applicable statutory value added tax. Valid for vehicle delivery until 31/12/2020. Prices from 01/01/2021 may vary. Stand 08/2020 – Version 2

\* According to EU Directive 97/27 EC and EU standard EN 1645-2, the "mass in running order" comprises the kerb weight of the vehicle – incl. driver (75 kg) and filled fuel tank as well as the following standard equipment: water tanks with reduced volume (20 l), a filled aluminium gas cylinder (15 kg) and a cable reel (4 kg). The technically permissible total mass must not be exceeded by personal equipment, passengers travelling with the vehicle and any optional extras. The installation of special accessories reduces the maximum recommend load and may reduce the permitted number of persons. The information on the scope of delivery, appearance, performance, dimensions and weight of the vehicles corresponds to the knowledge available at the time of going to press and the European homologation regulations. These can change until the vehicle is purchased or until delivery. Deviations within the factory tolerances (+/- 5 % max.) are possible and permissible.
